Dear Mr. Mueller:

This is the seventy-ninth progress report for the above referenced project and covers work through July 20, 2017. Our work through this period includes coordination with Iowa DOT staff, and utility coordination of the Phase 1 portion of this project (I-35 NB Grading Project). We look forward to continuing working for the City and you on this important project. Should you have any questions on this update, please feel free to contact me. We will be in attendance at the August 7, 2017, council meeting to answer any questions regarding this invoice.
