City of Ankeny Parks & Recreation Department
Attn: Nick Lenox, Director of Parks & Recreation
220 W. First Street
Ankeny, Iowa 50023

All Inclusive Rec is pleased to submit an option for the RFP Playground Equipment and installation, Deer Creek Park. Little Tikes Commercial offers outstanding quality with excellent play value in its structures, swings, and stand-alone events.

Our option includes the equipment, delivery, AND installation for \$ 85,000. The estimated delivery time is 4-5 weeks after the order is received. Our installers will take 1-2 weeks for installation on this depending on the weather/ground conditions. We can easily have this project installed in April or May as we will work with your department to make our schedule work with what works best for the Ankeny Parks and Recreation Department.

The playground includes our **kidbuilders 5-12 structure** with several outstanding components including our quad rope tower, overheads, a tunnel slide that goes underneath a bridge, double wall climber, and our 96" hypersonic slide. The structure features many other outstanding components.

The **kidbuilders 2-5 structure** includes the jungle climber, elbow slide, arched bridge and stone climber with a linked tire climb. This structure also includes many other outstanding components.

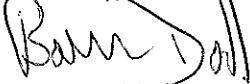

Our **arch swings** feature 2 belts, a tot and the **new generation combo swing** for parent/child. Our swings include as a standard feature the anti-wrap swing bearing which prevents the swings from being wrapped!!

There are also some **outstanding stand-alone pieces** including the **infinity flex 2 climbing structure**, the gallagher grasshopper kid rider, and the **Outstanding Mantis 20M**, a zipline, playground style!!!

Please contact me at 319-573-8448 if you have any questions or need additional information.

Thank you.

Sincerely,

Barry Dodd
