

Mill Pond

January 31, 2018

Dear Mayor Lorenz & City Council Members:

I would like to thank each and every one of you for the support for Millpond Retirement Community. I have worked with the Millpond Retirement Community for over 18 years and have had the pleasure to see the City of Ankeny expand and most recently see the completion of the construction project at Millpond Retirement Community. With the completion of Millpond Retirement Community we have added an additional 82 Senior Apartments with the capacity to serve over 245 seniors on our campus. With this addition it has created additional traffic flow for seniors living at Millpond Retirement Community as well as family members who visit their loved ones routinely. In the past couple of months many of the residents we serve at Millpond have become very concerned for their safety due to the intersection at Millpond Court and Delaware Avenue. With the growth of Ankeny, Delaware Avenue has become a very busy street and at times becomes impossible to turn south. Numerous residents at Millpond and individuals in the surrounding neighborhood are respectfully requesting that the City of Ankeny consider placing a four-way traffic light to be installed at the intersection of Delaware and Millpond Court. I would request that Millpond be placed on the agenda on the February 19, 2018 city council meeting? If you have any questions please feel free to contact me at 515-964-2273. Please see attached signed Petitions with over 1000 signatures and thank you for your consideration.

Sincerely

Mark Hudson
RDO, Campus Administrator

Whereas traffic at SE Delaware Avenue and Mill Pond Court has increased due to the continuing expansion of housing, new shops, restaurants, and business developments on SE Delaware, and now with Mill Pond Senior Living recently expanding its facilities, and thereby increasing traffic at the SE Delaware and Mill Pond Court intersection from additional residents, staffing, volunteers, and visitors to the Mill Pond community:

Be it resolved that the undersigned persons hereby petition the City of Ankeny to install a four-way, traffic light system at the intersection of SE Delaware and Mill Pond Court for the safety and protection of everyone.
