

STANDARD PROFESSIONAL SERVICES AGREEMENT (Long Form)

NOW ON THIS 3rd day of July, 2017, Snyder & Associates, Inc.,
2727 SW Snyder Boulevard., Ankeny, IA 50023 (hereinafter, Professional), and
City of Ankeny, Iowa
(hereinafter, Client) do hereby agree as follows:

1. **PROJECT:** Professional agrees to provide Professional Services (Services) for Client's project known and identified as: Ash Tower Feeder Main
2. **SCOPE and FEES:** The Scope of and the fees to be paid for said Services are set forth on Exhibit A attached hereto and by this reference made a part of this Agreement. Any Services not shown on Exhibit A shall be considered Additional Services. Additional Services may only be added by written change order, amendment or supplement to this agreement signed by both parties.
3. **STANDARD OF CARE:** In providing Services under this Agreement, the Professional shall perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same professional discipline currently practicing under similar circumstances at the same time and in the same or similar locality. Professional makes no warranty, express or implied, as to its professional services rendered under this Agreement.
 - 3.1. Client shall promptly report to Professional any defects or suspected defects in the Professional's Services of which Client becomes aware so that the Professional may take measures to minimize the consequences of such a defect.
 - 3.2. Client further agrees to impose a similar notification requirement on all contractors in its Client/Contractor contract and shall require all subcontracts at any level to contain a like requirement.
 - 3.3. Professional shall correct any reported defects in Professional's Services at Professional's cost.
 - 3.4. No withholdings, deductions or offsets shall be made from the Professional's compensation for any reason unless the professional has been found to be legally liable for such amounts by a court of competent jurisdiction.
4. **CODE COMPLIANCE:** Professional shall exercise usual and customary professional care in its efforts to comply with applicable laws, codes and regulations in effect as of the date of this Agreement. Design changes made necessary by newly enacted laws, codes and regulations after the date of this Agreement shall entitle the Professional to a reasonable adjustment in the schedule and additional compensation in accordance with the Additional Services provision of this Agreement.
 - 4.1. In the event of a conflict between laws, codes and regulations of various governmental entities having jurisdiction over this Project, the Professional shall notify the Client of the nature and impact of such conflict. The Client agrees to cooperate and work with the Professional in an effort to resolve this conflict.

5. **ESTIMATES OF PROBABLE CONSTRUCTION COST:** Should Professional be requested and it is included in the Scope of Services to provide an estimate of probable construction cost, Client understands that the Professional has no control over the cost or availability of labor, equipment or materials, or over market conditions or the Contractor's method of pricing, and that the Professional's estimates of probable construction costs are made on the basis of the Professional's professional judgment and experience. The Professional makes no warranty, express or implied, that the bids or the negotiated cost of the Work will not vary from the Professional's estimate of probable construction cost.
6. **INFORMATION PROVIDED BY OTHERS:** All information, requirements, instructions, criteria, reports, data, findings, plans, specifications, and surveys required by this Agreement and furnished by Client, may be used by Professional in performing its services and Professional is entitled to rely upon the accuracy and completeness thereof. Professional shall not be held responsible for any errors or omissions that may arise as a result of erroneous or incomplete information provided by the Client and/or the Client's consultants and contractors.
7. **TIMELINESS:** Professional will perform its services with reasonable diligence and expediency consistent with sound professional practices.
8. **SCHEDULE OF SERVICES:** Professional is authorized to begin providing the Services as of the date Professional receives a fully executed original signature copy of this Agreement.
 - 8.1. Professional shall complete its services within a reasonable time; or, within the specific period(s) of time, if any, set forth in Exhibit A which are hereby agreed to be reasonable.
 - 8.2. Professional shall not be responsible for delays and/or for damages, if any, arising directly or indirectly from causes beyond the Professional's control. Such causes include, but are not limited to, strikes or other labor disputes; severe weather disruptions or other natural disasters or acts of God; fires, riots, war or other emergencies; failure of any government agency to act in a timely manner; failure by the Client or the Client's contractors or consultants to timely perform; or discovery of any hazardous substances or differing site conditions.
 - 8.3. If Professional is delayed, through no fault of its own, and the orderly and continuous progress of Professional's services is impaired or suspended; or, the Client authorizes or directs changes in the scope, extent, or character of the Project, then the time for the completion of Professional's services, and the rates and amounts of Professional's compensation, shall be equitably adjusted.
 - 8.4. If Professional is unable, through its own fault, to timely complete its services as required in this Agreement, including any adjustments thereto, then Client shall be entitled, as its sole remedy, to the recovery of direct damages, if any, resulting from such failure.
9. **CLIENT'S RESPONSIBILITIES:** Client understands and agrees that it will be responsible for and in a timely manner:
 - 9.1. Provide to Professional, at Client's cost, all known and existing information, plans, specifications and data pertaining to or affecting the Project; all criteria and full information as to Client's requirements for the Project; all construction standards which Client will require to be included in the plans and specifications; copies of all other entities findings and reports generated for Client with respect to this Project; and such other information as may be requested and reasonably required to enable Professional to complete its services under this Agreement.
 - 9.2. Provide for safe access to and make all provisions for Professional to enter upon public and private property as required for Professional to perform its services under this Agreement.

- 9.3. Coordinate the timing and sequence of Professional's services with the services of others to the Project.
- 9.4. Provide reviews, certifications, authorizations, approvals, licenses and permits from all governmental authorities having jurisdiction over the Project or any part thereof and such reviews, certifications, authorizations, approvals, easements, rights-of-way and consents from others as may be necessary for Professional to complete its services under this Agreement.
- 9.5. Give written notice to Professional whenever Client observes or otherwise becomes aware of any Project Site concerns, any defect or nonconformance in the performance of any Contractor or other Consultant working on the Project, or of any other event or development that may affect the scope or time of performance of Professional's services; and, also, give written notice of any defect or nonconformance of Professional's services.
- 9.6. Provide services of an independent testing laboratory to perform all inspections, tests, and approvals of samples, materials, and equipment as may be required prior to the design of the Project, during the design and/or construction of the Project, or upon completion of the Project with appropriate professional interpretation thereof, unless such services are included within Professional's scope of services under this Agreement.
- 9.7. Attend the pre-bid conference, bid opening, pre-construction conferences, construction progress and other job related meetings, and substantial completion and final payment Project Site visits.
10. **INVOICING AND PAYMENTS:** Professional shall prepare invoices in accordance with its standard invoicing practices and submit the invoice(s) to Client on a monthly basis. Client agrees to timely pay each invoice within 30 days of the invoice date.
- 10.1. Payments not paid within said 30 days shall accrue interest on unpaid balances at the rate of 1.5% per month (or the maximum rate of interest permitted by law, if less) from said 30th day. In addition, Professional may, after giving 7 days written notice to Client, suspend services under this Agreement until Professional has been paid in full for Services, interest, expenses and other related charges rendered, accrued, advanced and/or incurred by Professional to the date of suspension. **Client waives any and all claims against Professional arising out of or resulting from said suspension.** Payments will be credited first to accrued interest and then to unpaid principal.
- 10.2. In the event legal action is necessary to enforce the payment terms of this Agreement, Professional shall be entitled to collect from Client and Client agrees to pay to Professional any judgment or settlement sum(s) due, plus reasonable attorneys' fees, court costs and other expenses incurred by Professional for such collection action and, in addition, the reasonable value of the Professional's time and expenses spent for such collection action, computed according to the Professional's prevailing fee schedule and expense policy. The formal mediation requirements in Paragraph 18, Dispute Resolution, shall not apply and are hereby waived for purposes of this subparagraph 10.2.

11. INDEMNIFICATION: To the fullest extent permitted by law, the Professional hereby agrees as follows:

11.1. With regard to the professional services performed and to be performed hereunder by or through the Professional, Professional agrees, to the fullest extent permitted by law, to indemnify and hold the Client harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the proportionate extent that Claims are caused by Professional's negligent acts, errors or omissions, or willful misconduct. The indemnity obligations provided under this section shall only apply to the extent such Claims are determined by a court of competent jurisdiction or arbitrator to have been caused by the negligence or willful misconduct of Professional or of consultants, subconsultants or anyone for whom the Professional is responsible under this agreement. The Professional shall have no duty to defend but shall reimburse defense costs to the same extent as the overall indemnity obligations herein. These indemnity obligations shall not apply to the extent said Claims arise out of, pertain to, or relate to the negligence of Client or Client's agents, or other independent contractors, including the contractor, subcontractors of contractor or other consultants of Client, or others who are directly responsible to Client, or for defects in design or construction furnished by those persons and/or entities.

11.2. With regard to any acts or omissions of the Professional in connection with this Agreement which do not comprise professional services, the Professional further agrees to indemnify, defend and hold harmless the Client from and against any and all claims, demand actions, causes of action, losses, liabilities, costs, reasonable attorneys' fees and litigation expenses (all of the foregoing being hereinafter individually and collectively called "claims") provided that any such claim is attributable to bodily injury, death, or property damage suffered or incurred by, or asserted against, the Indemnified Parties to the extent, but only to the extent, that the claims are the result of any negligent act or omission by the Professional, its consultants or subconsultants or anyone for whom the Professional is responsible under this agreement, excluding, however, bodily injury, death or property damage arising out of the rendering or failure to render any professional services by the Professional (which is covered by subparagraph 11.1.1 above).

11.3. To the fullest extent permitted by law, the Client agrees to indemnify and hold Professional harmless from any loss, damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the Client's willful misconduct or negligent acts, errors or omissions.

11.4. Neither Client nor Professional shall be obligated to indemnify the other party in any manner whatsoever for the other party's own negligence or willful misconduct or for the negligence or willful misconduct of others.

12. MUTUAL WAIVERS: Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither the Client nor the Professional, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement.

13. OWNERSHIP OF INSTRUMENTS OF SERVICE: The Client acknowledges the Professional's plans, specifications, and other documents, including electronic files, as the work papers of the Professional and the Professional's instruments of professional service. Nevertheless, the final printed hard copy construction documents prepared under this Agreement shall become the property of the Client upon completion of the services and payment in full of all monies due to the Professional. The Client shall not reuse or make any modification to the construction documents without the prior written authorization of the Professional. The Client agrees, to the fullest extent permitted by law, to defend, indemnify and hold harmless the Professional, its officers, directors, employees and subconsultants (collectively, Professional) against any damages, liabilities or costs, including reasonable attorneys' fees and defense costs, arising

from or allegedly arising from or in any way connected with the unauthorized reuse or modification of the construction documents by the Client or any person or entity that acquires or obtains the construction documents from or through the Client without the written authorization of the Professional.

13.1. Under no circumstances shall the transfer of said instruments of service be deemed a sale by the Professional, and the Professional makes no warranties, either express or implied, of merchantability and fitness for any particular purpose, nor shall such transfer be construed or regarded as any waiver or other relinquishment of the Professional's copyrights in any of the foregoing, full ownership of which shall remain with the Professional, absent the Professional's express prior written consent.

13.2. Should Professional agree to delivery of electronic files to Client, Client agrees, as a condition precedent, to sign Professional's Electronic Media Transfer Agreement prior to said delivery and further agrees that such delivery is for convenience, not reliance by the receiving party.

13.3. The Client is aware that differences may exist between the electronic files delivered and the printed hard-copy construction documents. In the event of a conflict between the signed construction documents prepared by the Professional and the electronic files, the signed or sealed hard-copy construction documents shall govern.

13.4. The Client agrees not to reuse these electronic files, in whole or in part, for any purpose other than for the Project. The Client agrees not to transfer any of the delivered electronic files to others without the prior written consent of the Professional. The Client further agrees to waive all claims against the Professional resulting in any way from any unauthorized changes to or reuse of the electronic files for any other project by anyone other than the Professional.

14. **CERTIFICATIONS, GUARANTEES AND WARRANTIES:** The Professional shall not be required to sign any documents, no matter by whom requested, that would result in the Professional's having to certify, guarantee or warrant the existence of conditions whose existence the Professional cannot ascertain or in the sole judgment of the Professional, increase the Professional's risk or the availability or cost of its professional or general liability insurance. The Client also agrees not to make resolution of any dispute with the Professional or payment of any amount due to the Professional in any way contingent upon the Professional signing any such certification.

15. **RIGHT TO RETAIN SUBCONSULTANTS:** The Professional may engage the services of any professional as a subconsultant when, in the Professionals' sole opinion, it is appropriate to do so. Such subconsultants may include both general and specialized professional services deemed necessary by the Professional to carry out the scope of the Professional's services. Professional shall not be required by the Client to retain any subconsultant not fully acceptable to the Professional.

16. **SUSPENSION OF SERVICES:** If the Project or the Professional's services are suspended by the Client for more than thirty (30) calendar days, consecutive or in the aggregate, over the term of this Agreement, the Professional shall be compensated for all services performed and reimbursable expenses incurred prior to the receipt of notice of suspension. In addition, upon resumption of services, the Client shall compensate the Professional for expenses incurred as a result of the suspension and resumption of its services, and the Professional's schedule and fees for the remainder of the Project shall be equitably adjusted.

16.1. If the Professional's services are suspended for more than ninety (90) days, consecutive or in the aggregate, the Professional may terminate this Agreement upon giving not less than seven (7) calendar days' written notice to the Client.

16.2. If the Client is in breach of the payment terms or otherwise is in material breach of this Agreement, the Professional may suspend performance of services upon seven (7) calendar days' notice to the Client. The Professional shall have no liability to the Client, and the Client agrees to make no claim for any

delay or damage as a result of such suspension caused by any breach of this Agreement by the Client. Upon receipt of payment in full of all outstanding sums due from the Client, or curing of such other breach which caused the Professional to suspend services, the Professional will resume services and there shall be an equitable adjustment to the remaining project schedule and fees as a result of the suspension.

17. **DISPUTE RESOLUTION:** In an effort to resolve any conflicts that arise during the design and construction of the Project or following the completion of the Project, the Client and the Professional agree that all disputes between them shall be negotiated in good faith for a reasonable period of time. If the parties fail to resolve all of the issues, then those issues not so resolved shall be submitted to formal nonbinding mediation prior to either party exercising their rights under the law. Each party shall be responsible for their own attorney fees, mediation costs and litigation costs. The cost of the mediator shall be shared equally by the parties.

17.1. The Client and the Professional shall endeavor to include a similar mediation provision in all agreements with independent contractors and consultants retained for the Project and to encourage all independent contractors and consultants also to include a similar mediation provision in all agreements with their subcontractors, subconsultants, suppliers and fabricators, thereby providing for mediation, prior to the exercise of their respective legal rights, as the primary method for dispute resolution among the parties to all those agreements.

17.2. The Client and the Professional agree that this Agreement and any legal actions concerning its validity, interpretation and/or performance shall be governed by the laws of the State of Iowa without regard to any conflict of laws provisions, which may apply the laws of other jurisdictions.

17.3. It is further agreed that any legal action between the Client and the Professional arising out of this Agreement or the performance of the services shall be brought in a court of competent jurisdiction in the State of Iowa.

18. **TERMINATION:** In the event of termination of this Agreement by either party, the Client shall within fifteen (15) calendar days of termination pay the Professional for all services rendered and all reimbursable costs incurred by the Professional up to the date of termination, in accordance with the payment provisions of this Agreement.

18.1. The Client may terminate this Agreement for the Client's convenience and without cause upon giving the Professional not less than seven (7) calendar days' written notice.

18.2. Either party may terminate this Agreement for cause upon giving the other party not less than seven (7) calendar days' written notice for any of the following reasons:

18.2.1. Substantial failure by the other party to perform in accordance with the terms of this Agreement and through no fault of the terminating party;

18.2.2. Assignment of this Agreement or transfer of the Project by either party to any other entity without the prior written consent of the other party;

18.2.3. Suspension of the Project or the Professional's services by the Client for more than ninety (90) calendar days, consecutive or in the aggregate;

18.2.4. Material changes in the conditions under which this Agreement was entered into, the Scope of Services or the nature of the Project, and the failure of the parties to reach agreement on the compensation and schedule adjustments necessitated by such changes.

18.3. In the event of any termination that is not the fault of the Professional, the Client shall pay the Professional, in addition to payment for services rendered and reimbursable costs incurred, for all expenses reasonably incurred by the Professional in connection with the orderly termination of this Agreement, including demobilization associated overhead costs and all other expenses directly resulting from the termination.

19. **THIRD-PARTY BENEFICIARIES:** Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Client or the Professional. The Professional's services under this Agreement are being performed solely for the Client's benefit, and no other party or entity shall have any claim against the Professional because of this Agreement or the performance or nonperformance of services hereunder.
20. **ASSIGNMENT:** Neither party to this Agreement shall transfer, sublet or assign any rights or duties under or interest in this Agreement, including but not limited to monies that are due or monies that may be due, without the prior written consent of the other party. Subcontracting to subconsultants, normally contemplated by the Professional as a generally accepted business practice, shall not be considered an assignment or sublet for purposes of this Agreement (See paragraph 16 above).
21. **SEVERABILITY AND SURVIVAL:** If any term or provision of this Agreement is held to be invalid or unenforceable under any applicable statute or rule of law, such holding shall be applied only to the provision so held, and the remainder of this Agreement shall remain in full force and effect. Notwithstanding completion or termination of this Agreement for any reason, all rights, duties and obligations of the parties to this Agreement shall survive such completion or termination and remain in full force and effect until fulfilled.
22. **ENTIRE AGREEMENT AND MODIFICATIONS:** This Agreement and the following Exhibits which are incorporated by this reference and made a part of this Agreement:

Exhibit A Scope of Services

Exhibit C Standard Fee Schedule

Exhibit B Insurance Requirements

Exhibit D Location Map

contain the entire understanding between the Parties, superseding all prior or contemporaneous communications, agreements, and understandings between the Parties with respect to the subject matter hereof. This Agreement may not be modified in any manner except by written amendment, addendum, change order, or supplement executed by both Parties.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives to be effective as of the day and year first above written.

EXHIBIT A – SCOPE OF SERVICES**ASH TOWER FEEDER MAIN****I. SCOPE OF WORK****A. GENERAL**

The PROFESSIONAL shall provide Professional Services as required to complete the preparation and assembly of the PROJECT as described hereinafter as follows:

1. The PROJECT shall include the following:
 - a. Construction of approximately 5,600 feet of 24” feeder water main intended to improve the hydraulics of the East Pressure Zone and the overall operation of the water storage and distribution system. The project is a step toward the ultimate goal of combining the East and Southwest pressure zones into one zone.
 - b. Feeder main alignment to follow the abandoned railroad grade and new recreational trail connecting the Ash Water Tower to the north with the existing 16” main distribution system near the intersection of SW Ordinance Road and South Ankeny Boulevard.
 - c. Evaluation of connection options to the existing system to the south in coordination with the proposed SE Magazine Road Water Main Improvements. CLIENT will select preferred connection arrangement based on evaluations of both projects.
 - d. Preparation of a geotechnical report based on soil borings taken in the proposed project corridor.
 - e. Preparation and acquisition of right-of-way or easements as required for the construction of the water main. Right-of-way needs to be determined during project design.
 - f. Project information meetings as required for adjacent property owners directly impacted by the proposed construction.
 - g. The PROJECT will be constructed in a single phase and bid letting. The CLIENT desires to complete construction of the feeder main improvements during the 2018 construction season.

- h. The construction plans, specifications, and contract documents will be prepared in accordance with City of Ankeny requirements.
- 2. The PROFESSIONAL will complete design, plans and specifications, easement plats, contract documents, and bidding phase for the proposed PROJECT. Construction staking, administration, observation, and final project acceptance will be performed under a separate Agreement.

B. BASIC PROFESSIONAL SERVICES

The PROFESSIONAL will provide the Basic Professional Services as follows. Payment shall be made as specified in Article IV of this Agreement.

1. PROJECT ADMINISTRATION

The PROFESSIONAL shall perform the following administrative services during the design of the PROJECT:

- a. Progress reports as requested to the CLIENT.
- b. Monthly billing reports.
- c. Project coordination for engineering and coordination with the CLIENT, design professionals, and utility companies.
- d. Project design review.
- e. Attendance to one project information meeting.
- f. Utility coordination includes meetings with the utility company representatives during the preliminary and final design phases to identify conflicts; review of utility relocation plans prepared by the utility company; and help facilitate a schedule with the CLIENT and utility companies to perform relocations prior to the PROJECT construction.

2. TOPOGRAPHY SURVEY AND BASE DRAWINGS

The PROFESSIONAL will provide the following services for the area bounded by the following limits: Existing right-of-way corridor of railroad / recreational trail from Ash Water Tower to S Ankeny Boulevard; Existing right-of-way corridor of S Ankeny Boulevard from railroad / recreational trail to SW Magazine Road; Existing right-of-way corridor of SW Ordinance Road where adjacent to railroad / recreational trail and intersection with S Ankeny Boulevard; Ash Water Tower site. This area

will include 25 feet beyond the ROW or as necessary to establish drainage paths and adjacent features.

Topographic Survey - The PROFESSIONAL shall provide topographic survey within the area described. This service includes:

- 1.) Horizontal Datum will be provided using Iowa State Plane coordinates.
- 2.) Vertical Datum will be provided using NAVD 88.
- 3.) Set a minimum of five permanent benchmarks on site with descriptions and elevations to the nearest 0.01 foot. Larger sites will require benchmarks at intervals not to exceed 1,000 feet horizontal or 25 feet vertical.
- 4.) Spot elevations displayed to the nearest 0.01 feet to be included for shots. An approximate 50 feet grid will be used to create a topographic map along with other grade breaks such as tops, toes, drainage ways, and bottoms of retaining walls, etc.
- 5.) Contours will be shown at 1 foot intervals.
- 6.) Perform a field survey locating visible improvements such as structures, parking, signs, sidewalks and other visible features above grade will be shown. Below grade non-visible structures or improvements will be shown from information as provided by site owner and would be approximate. Below grade non-visible structures may require further investigation if potentially in conflict with proposed site improvements.
- 7.) Location of trees 6 inches and greater not lying within wooded areas. The drip line or perimeter outline of wooded/brush areas will be shown.
- 8.) Provide known existing utility information based on record information, surface evidence, as-built drawings and utility company field locates. This service includes contacting Iowa One Call, following Chapter 480 of the Iowa Code to locate existing public utilities on the site; performing a field survey locating visible utilities and the location of below grade utility locates by Iowa One Call. The PROFESSIONAL shall make a diligent attempt to make an accurate representation of underground utilities, vaults and related items but no guarantee can be made as to the condition or location horizontally or vertically between each structure. This service of utilities shown in conjunction with ASCE Standard CI/ASCE 38-02 constitute a Quality Level "C" Subsurface Utility Engineering survey as outlined below.
- 9.) Additional work may be required to upgrade the location determination of other utilities to a level "B" or better during advanced states of design and that work would be considered extra services.

The PROFESSIONAL will contact the CLIENT if a known utility is not being located. The CLIENT may choose to submit a “dig” ticket request to facilitate the utility locates within the required 72 hours.

Quality Level A involves the use of nondestructive digging equipment at critical points to determine the precise horizontal and vertical position of underground utilities, as well as the type, size, condition, material, and other characteristics. This activity is called “locating.” It is the highest level presently available. When surveyed and mapped, precise plan and profile information is available for use in making final design decisions. By knowing exactly where a utility is positioned in three dimensions, the designer can often make small adjustments in elevations or horizontal locations and avoid the need to relocate utilities. Additional information such as utility material, condition, size, soil contamination, and paving thickness also assists the designer and utility owner in their decisions.

Quality Level B involves the use of surface geophysical techniques to determine the existence and horizontal position of underground utilities. This activity is called “designating”. Two-dimensional mapping information is obtained. This information is usually sufficient to accomplish preliminary engineering goals. Decisions can be made on where to place storm drainage systems, footings, foundations, and other design features in order to avoid conflicts with existing utilities. Slight adjustments in the design can produce substantial cost savings by eliminating utility relocations.

Quality Level C involves surveying visible above-ground utility facilities, such as manholes, valve boxes, posts, etc., and correlating this information with existing utility records. When using this information, it is not unusual to find that many underground utilities have been either omitted or erroneously plotted. Its usefulness, therefore, should be confined to rural projects where utilities are not prevalent, or are not too expensive to repair or relocate.

Quality Level D information comes solely from existing utility records. It may provide an overall “feel” for the congestion of utilities, but it is often highly limited in terms of comprehensiveness and accuracy. Its usefulness should be confined to project planning and route selection activities.

3. BOUNDARY SURVEY

Right-Of-Way Verification – The PROFESSIONAL shall establish the existing right-of-way lines to facilitate design or concept needs and enable creation of said construction documents and assessments. This service

includes researching the public records in the county courthouse to acquire the current recorded deeds, subdivision plats, recorded surveys and section corner certificates; perform a field survey locating existing monuments and the best available evidence needed to re-establish the record boundary lines; graphically show the boundary on the construction documents.

4. PRELIMINARY DESIGN

The PROFESSIONAL will assist the CLIENT in the following preliminary designs for the improvements:

- a. The PROFESSIONAL will evaluate alternatives for connecting to the existing distribution system in the vicinity of S Ankeny Boulevard and SW Magazine Road. This service includes:
 - 1.) Alternatives evaluation that includes connection location, pipe routing impacts, disruptions to existing system, and future main extensions.
 - 2.) Presentation of alternatives to the CLIENT for their consideration in conjunction with the evaluation of connection alternatives for the SE Magazine Road Water Main Improvements project.
- b. The PROFESSIONAL will develop preliminary alignment and general layout that allows for minimal impact to existing recreational trails, AMP development site, existing roadways, and minimal disruption to existing water distribution system.
- c. Included with this is the following:
 - 1.) Water main design.
 - 2.) Preliminary plan and profiles.
 - 3.) Surface restoration and pavement repair.
 - 4.) Water main, surface restoration, and erosion control quantities.
 - 5.) Construction staging and sequencing to minimize disruption to existing water distribution system.
 - 6.) One meeting with CLIENT to review preliminary design and comments.
 - 7.) Preliminary design and meeting memorandums.
 - 8.) Engineer's Opinion of Probable Construction Cost for the PROJECT.

5. PROJECT INFORMATION MEETING

Following completion of the Preliminary Design and Plans, the PROFESSIONAL and CLIENT will present the design to the property and business owners within the project limits at a Project Information Meeting. The PROFESSIONAL will be responsible for preparing the mailing list, notifying the owners along the project corridor of the meeting, preparing an aerial display drawing for the meeting that will depict the project details, attending the meeting, and responding to questions.

6. FINAL DESIGN

- a. The PROFESSIONAL shall prepare contract documents for the PROJECT. The plans shall include, but not be limited to, the following information:

Preparing feeder water main plans necessary for constructing the PROJECT. This phase will also involve the development of project details, general notes, final plan and profile drawings, construction limits, control reference notes, erosion control, staging, and coordination. The project information will include full plan sheets including A-, B-, and C- sheets, plan and profile sheets (D-sheets), and staging and sequencing sheets (J-sheets). Schematic fitting and layout details will be prepared for the connections to the existing mains as well as any areas with complex piping arrangements. The design shall be the responsibility of the PROFESSIONAL. During this process, the PROFESSIONAL shall prepare and apply for any necessary permits that might be required for the construction of the PROJECT anticipated to include Iowa DNR construction permit, NPDES General Permit No. 2, and Iowa DOT utility accommodation permit.

- b. The PROFESSIONAL shall prepare contract documents for the feeder main construction in accordance with SUDAS and CLIENT requirements.
- c. Probable Costs - The PROFESSIONAL shall prepare a statement of the total probable cost for the PROJECT based upon the design developed. Statements of probable construction costs prepared by the PROFESSIONAL represent the best judgment as a design professional familiar with the construction industry. It is recognized, however, that the PROFESSIONAL has no control over the cost of labor, materials or equipment, over the Contractor's methods of determining bid prices, or over competitive bidding or market conditions. Accordingly, the PROFESSIONAL does not guarantee that any actual cost will not vary from any cost estimate prepared by the PROFESSIONAL.

7. BID ASSISTANCE

Upon receipt of authorization by the CLIENT to set the date of the bid letting for the PROJECT, the PROFESSIONAL shall answer questions from potential contractors, subcontractors and suppliers; determine the need for and issue addenda, and coordinate with CLIENT. The PROFESSIONAL shall supply the necessary documents to bidders for letting purposes. The PROFESSIONAL shall issue addenda as appropriate to clarify, correct or modify the Contract Documents. The PROFESSIONAL shall attend the meeting at which bids are received, shall tabulate the bids and make recommendations to the CLIENT, in writing, regarding award of the construction contract.

C. CONSTRUCTION SERVICES

Construction services shall be performed under a separate Agreement.

D. ADDITIONAL SERVICES

The PROFESSIONAL shall provide additional services as follows. Payment shall be as specified in Article IV (C) of this Agreement.

1. GEOTECHNICAL INVESTIGATION

The PROFESSIONAL shall perform the soils and materials testing for the soils investigation of the PROJECT. This includes ten (10) soil borings at approximately 600-ft spacing along the railroad / recreational trail corridor, review and analysis of the soil borings, and presentation of the findings and recommendations in a report.

2. ACQUISITION PLATS AND LEGAL DESCRIPTIONS

The PROFESSIONAL will prepare up to two (2) permanent easement or fee title acquisition plats and up to three (3) legal descriptions for temporary construction easements.

3. RIGHT-OF-WAY SERVICES

PROFESSIONAL will provide State of Iowa licensed real estate agents who will negotiate and endeavor to acquire for the CLIENT all of the necessary easements and/or real property parcels as needed for the PROJECT. Mary Ann Carnock is an employee of PROFESSIONAL, and is a state of Iowa licensed real estate sales person with SNYDER & ASSOCIATES RIGHT-OF-WAY SERVICES, LLC, Ankeny, Iowa, a

State of Iowa licensed real estate broker and a wholly owned subsidiary of PROFESSIONAL. Mary Ann Carnock will be designated as "Appointed Agent" and will represent the CLIENT in a "Buyer Exclusive Agency" capacity in all matters pertaining to the negotiation and acquisition of easements and/or real property for said PROJECT.

CLIENT does hereby request Appointed Agent to select, prepare and complete form documents for use incident as to a residential real estate transaction of four units or less. Such documents shall be limited to: (1) purchase offers or purchase agreements, provided the parties are given written notice that these are binding legal documents and competent legal advice should be sought before signing; (2) groundwater hazard statements; and (3) declaration of value forms.

CLIENT and PROFESSIONAL acknowledge and agree that the Appointed Agent is required to adhere to Federal and State of Iowa statutes; the rules of the Supreme Court of Iowa as they may pertain to real estate agents; the rules and regulations promulgated by the Iowa Real Estate Commission; and, the Iowa Administrative Rules and regulations in regards to real estate agents' conduct, responsibilities, and duties. Said statutes, rules and regulations will supersede and be paramount to any provision contained herein, anything to the contrary notwithstanding.

Right-of-Way Needs – The PROFESSIONAL will specify right-of-way needs for the PROJECT for fee title and permanent easement takings for up to (2) two parcels and temporary construction easements for up to (3) three parcels. The negotiations and acquisitions for these parcels are anticipated to require a Compensation Estimate.

Fee Title and Permanent Easement Acquisition Plats and Legal Descriptions – The PROFESSIONAL shall complete a legal description and fee title or permanent easement plat for up to (2) two parcels; including the stated purpose of such acquisitions, including the type of interest, construction easement or permanent easement, to be acquired. The PROFESSIONAL shall complete a legal description for up to three (3) parcels requiring only construction easement; including the stated purpose of such acquisitions.

IN REGARDS TO Acquisitions, PROFESSIONAL WILL:

- a. Attend initial project meetings with the representatives of CLIENT to establish lines of communication regarding elements of the scope and schedule and to set property acquisition parameters for the PROJECT;

Exhibit A – Scope of Services
Ash Tower Feeder Main

- b. Complete a parcel file for each property involved with the PROJECT in accordance with the needs of CLIENT and/or the PROJECT requirements;
- c. Prepare legal descriptions and acquisition plats for each easement and/or fee title acquisition, if requested by CLIENT;
- d. Retain and coordinate the services of a licensed, certified appraiser (hereinafter referred to as "Appraiser") who, subject to the approval of the CLIENT, will be a subconsultant to PROFESSIONAL. The Appraiser will prepare the Project Data Books, as needed. The Appraisers' work will be reviewed by a second party as approved by the CLIENT and as required by Local, State and /or Federal Right-of-Way acquisition procedures. It is anticipated that the size and valuation of the easements will be limited such that full appraisals are not required. If required, the Appraiser will prepare, sign and furnish to the PROFESSIONAL and CLIENT appraisal documentation following accepted appraisal principles and techniques in accordance with the Iowa DOT "Appraisal Policy & Procedures Manual". The CLIENT will review and forward written approval of all findings by the Appraiser. If Appraisals are required, this work will be completed as Additional Services as an Amendment to this Agreement;
- e. Retain and coordinate the services of an abstractor, who will be a Subconsultant to PROFESSIONAL, who will prepare Certificates of Title for each parcel to be acquired.
- f. Use acquisition forms and documents provided by CLIENT or prepare acquisition documents under the direction, review and approval of the CLIENT'S legal department. Acquisition documents may include, but not be limited to: (1) Offer to Purchase, (2) 10-day waiver, (3) real estate purchase agreement, (4) Easements, (5) Warranty Deed, (6) title clearing documents as directed by CLIENT'S attorney, and (7) release of tenant interest and leasehold claims;
- g. Make (through the Appointed Agent) personal and private contacts with each property owner and tenant (the Parties) or their representative to explain the effect of the acquisition, answer questions, present a written offer, and consider counter offers and to make approved offers for administrative settlements. Non-resident property owners will be contacted by certified or registered mail or by U.P.S.

- h. Make a good faith effort to acquire the necessary property within 90 days after a written offer has been submitted to the owner and tenant. Negotiations will be considered complete upon occurrence of one of the following: (1) the parties accept the offer, (2) the parties accept an administrative settlement, (3) the parties fail or refuse to accept the offer or administrative settlement, and/or (4) in the judgment of the PROFESSIONAL, negotiations have reached an impasse;
- i. Notify the CLIENT of every parcel on which negotiations have reached an impasse or which cannot be acquired by negotiated Agreement at the completion of the negotiations phase of the work. If the CLIENT is to condemn, the PROFESSIONAL will deliver as much of the file to the CLIENT as is necessary for the CLIENT'S condemnation attorneys to begin preparation for the condemnation of the parcel. The CLIENT will provide written notice to the parties that the parcel is being prepared for condemnation. The PROFESSIONAL, when notified in writing by the CLIENT, will continue in an attempt to negotiate an Agreement after notice has been sent that condemnation is being prepared, but before notice of condemnation has been served. Once notice of condemnation has been served, negotiations will cease unless requested by CLIENT to continue as additional services.

4. UTILITY VERIFICATION TEST HOLES

The PROFESSIONAL shall provide utility verification test holes using nondestructive digging equipment to establish vertical and horizontal location (Quality Level A) of existing water mains or other critical utilities that are potentially in direct conflict with the proposed feeder main. This includes an estimated fourteen (14) utility test holes.

5. CHANGES IN THE SCOPE OF SERVICES

The CLIENT may request Extra Services from the PROFESSIONAL not included in the Scope of Services as outlined. Extra Services may include, but not be limited to, expanding the scope of the PROJECT and work to be completed; requesting the development of various documents; or requesting additional work items that increases the Professional Services and corresponding costs. Extra Services shall be performed as requested in writing by the CLIENT on an hourly basis in accordance with the current fiscal year Snyder & Associates, Inc. Standard Fee Schedule in affect at the time of actual performance. All services quoted on a lump sum basis shall be valid for one year from the contract date.

E. STORM WATER DISCHARGE COMPLIANCE / HOLD HARMLESS

1. PROFESSIONAL'S Responsibility

In the event the scope of work to be performed under the terms and conditions of this Agreement includes permitting and creation of an initial Storm Water Pollution Prevention Plan, then and in that event and notwithstanding any provision to the contrary, PROFESSIONAL shall not be responsible or liable for compliance with any storm water discharge requirements at the site other than the preparation and submittal of the Notice of Intent for Storm Water Discharge Permit No. 2 applicable to the site and creation of the initial Storm Water Pollution Prevention Plan for the site.

2. CLIENT'S Responsibility

CLIENT shall be solely responsible for: a) the implementation, administration and monitoring of the initial plan; b) making modifications to the initial plan as needed; c) filing the Notice of Discontinuance; and, d) compliance with all NPDES or storm water discharge statutes, rules, regulations or ordinances applicable to the site. The PROFESSIONAL will include the initial Storm Water Pollution Prevention Plan as a part of the Contract Documents.

3. Indemnification

PROFESSIONAL agrees, to the fullest extent permitted by law, to indemnify and hold CLIENT harmless against all damages, liabilities or costs including reasonable attorneys' fees and defense costs (hereafter "Claims") to the extent caused by PROFESSIONAL'S errors, omissions or negligent acts relating to the preparation of the Notice of Intent or creation of the initial Storm Water Pollution Prevention Plan. CLIENT shall protect, defend, indemnify and hold PROFESSIONAL harmless from any and all Claims caused by or in any manner related to: a) any discharges of soil, silt, sediment, petroleum product, hazardous substances or solid waste from the site; and/or b) any alleged violation of any NPDES or storm water discharge statute, rule, regulation or ordinance, unless said Claims were primarily caused by the PROFESSIONAL'S own negligent acts. CLIENT shall release, waive and otherwise discharge any and all Claims that CLIENT may assert against PROFESSIONAL relating, in any manner, to any discharges from the Site and/or any alleged violation of any NPDES or storm water discharge statute, rule, regulation or ordinance except as set forth above. The covenants and provisions herein shall survive cessation of PROFESSIONAL'S work on the site.

II. RESPONSIBILITY OF THE CLIENT

At its own expense, the CLIENT shall have the following responsibilities regarding the execution of the Contract by the PROFESSIONAL.

A. PROJECT OFFICER

The CLIENT shall name a Project Officer to act as the CLIENT's representative with respect to the work performed under this Agreement. All correspondence with CLIENT relating to PROJECT shall be directed to the Project Officer and the Project Officer shall be invited to all progress meetings and other meetings called during the PROJECT.

B. PROMPT RESPONSE

To prevent an unreasonable delay in the PROFESSIONAL's work, the CLIENT will examine all reports, drawings, specifications, and other documents and will provide authorizations in writing to the PROFESSIONAL to proceed with work within a reasonable time period.

C. PROJECT REQUIREMENTS

The CLIENT shall furnish the following information for the PROJECT: Design and construction standards; known PROJECT area topography and existing features and utilities; construction documents of projects within close proximity; known property locations and conditions; zoning or deed restrictions; licenses, permits, and government or agency approvals that may be necessary to complete the Work and/or PROJECT; all necessary forms and/or documents to complete each acquisition and/or provide the services of CLIENT'S attorney to supervise, review and approve any and all legal documents; and permission for access to private property if necessary to perform work.

III. WORK SCHEDULE

The PROJECT, from authorization of this Agreement through the final design of the PROJECT, shall be performed by the PROFESSIONAL in accordance with a schedule mutually developed by the CLIENT and PROFESSIONAL.

- A. The PROFESSIONAL shall not be responsible for delays in the schedule which are beyond the PROFESSIONAL's control.

Exhibit A – Scope of Services
Ash Tower Feeder Main

B. The project milestone schedule is as follows:

Notice to Proceed	July 5, 2017
Topo and Boundary Survey	July 31, 2017
Preliminary Design Completion	September 15, 2017
Right-of-Way Negotiations	Sep. 18, 2017 – Jan. 26, 2018
Final Design Completion	January 26, 2018
Bid Letting	March 1, 2018
Contract Award	March 5, 2018

IV. COMPENSATION AND TERMS OF PAYMENT

The CLIENT shall pay the PROFESSIONAL in accordance with the terms and conditions of this Agreement.

A. BASIC SERVICES

As set forth in Article IV (A) the engineering fee shall be on the basis of a maximum fixed fee on hourly rates and fixed expenses as outlined in the PROFESSIONAL'S Standard Fee Schedule. The current fee schedule is shown in the attached Exhibit "C". Total fees of services shall not exceed the following amounts without approval of the CLIENT.

<u>Item</u>	<u>Amount</u>
1. Project Administration	\$6,200.00
2. Topographic Survey and Base Drawings	\$20,000.00
3. Boundary Survey	\$4,500.00
4. Preliminary Design	\$53,200.00
5. Project Information Meeting	\$2,800.00
6. Final Design	\$40,300.00
7. Bid Assistance	\$3,400.00
	<hr/>
	\$130,400.00

Anytime the PROFESSIONAL anticipates that actual professional costs will exceed estimated professional costs, he shall immediately notify the CLIENT, in writing, of such proposed increase and the reasons therefore. The CLIENT shall thereupon review such proposed increase and either accept or reject same.

B. CONSTRUCTION SERVICES

Construction Services shall be performed under a separate Agreement.

	<u>Amount</u>
1. Construction Administration	\$
2. Construction Staking	\$
3. Construction Observation	\$
4. Record Drawings	\$
	<hr/>
	By Separate Agreement

Anytime the PROFESSIONAL anticipates that actual professional costs will exceed estimated professional costs, he shall immediately notify the CLIENT, in writing, of such proposed increase and the reasons therefore. The CLIENT shall thereupon review such proposed increase and either accept or reject same.

C. ADDITIONAL SERVICES

As set forth in Article IV (C) the professional fees will be based on the current hourly rates and fixed expenses. The estimated professional costs as provided to the CLIENT represents a probable budget amount. The CLIENT will be billed for actual direct hours and if the PROFESSIONAL believes the budgetary figures will be exceeded, the CLIENT will be promptly notified by the PROFESSIONAL.

	<u>Amount</u>
1. Geotechnical Investigation	\$10,000.00
2. Acquisition Plats and Legal Descriptions (estimated 5 plats @ \$600/plat)	\$3,000.00
3. Right-of-Way Services (1 project data book @ \$2,200, estimated 5 parcels @ \$3,900/each)	\$21,700.00
4. Utility Verification Test Holes (estimated 14 test holes @ \$800/each)	\$11,200.00
	<hr/>
	\$45,900.00
 TOTAL	 \$176,300.00

Exhibit B

- The Contractor shall maintain Errors and Omissions Liability covering negligent acts, errors and/or omissions, including design errors of the Contractor for damage sustained by reason of or in the course of operations under this Contract. ~~The policy/coverages shall be amended to include the following:~~

~~Amendment of any Contractual Liability Exclusion to state: "This exclusion does not apply to any liability of others which you assume under a written contract provided such liability is caused by your negligent acts."~~

- In the event that any professional liability insurance required by this Contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this Contract; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this Contract is completed.
- Policy shall contain a waiver of subrogation against the City of Ankeny.

F) CONTRACTOR'S ENVIRONMENTAL LIABILITY

\$ 2,000,000

- Applicable if Professional Services performed includes Environmental activities included but not limited to: use or application of hazardous materials, environmental testing, monitoring, assessment or cleanup, transportation of hazardous materials, pesticide spraying and certain recycling and waste reduction activities.

City of Ankeny Insurance Requirements for Professional Services

1. Professional shall furnish a signed Certificate of Insurance to the City of Ankeny, Iowa for the coverage required in Exhibit I prior to commencing work and at the end of the project if the term of work is longer than 60 days. Providers presenting annual certificate shall present a Certificate at the end of each project with the final billing. Each Certificate shall be prepared on the most current ACORD form approved by the Iowa Department of Insurance or an equivalent. Each certificate shall include a statement under Description of Operations as to why issued. Eg: Project #_____ or Lease of premises at _____ or construction of _____.
2. All policies of insurance required hereunder shall be with a carrier authorized to do business in Iowa and all carriers shall have a rating of A or better in the current A.M. Best's Rating Guide.
3. Each Certificate shall be furnished to the contracting department of the City of Ankeny.
4. Failure to provide minimum coverage shall not be deemed a waiver of these requirements by the City of Ankeny. Failure to obtain or maintain the required insurance shall be considered a material breach of this agreement.
5. Subcontractors and sub subcontractor performing work or service shall provide a Certificate of Insurance in accord with Exhibit B.
6. All required endorsements to various policies shall be attached to Certificate of Insurance.
7. Whenever a specific ISO form is listed, an equivalent form may be substituted subject to the provider identifying and listing in writing all deviations and exclusions that differ from the ISO form.
8. Provider shall be required to carry the minimum coverage/limits, or greater if required by law or other legal agreement, in Exhibit B.
9. Whenever an ISO form is referenced the current edition of the form must be used.
10. By requiring such insurance, the City of Ankeny shall not be deemed or construed to have assessed the risk that may be applicable to the Contractor its agents, representatives, employees or sub-consultants under this Contract. The insurance requirements herein for this Contract in no way limit the indemnity covenants contained in the Contract.
11. The City of Ankeny in no way warrants that the limits contained herein are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work under this Contract by the Contractor, its agents, representatives, employees, or subcontractors. The Contractor shall assess its own risks and if it deems appropriate and/or prudent, maintain higher limits and/or broader coverages. The Contractor is not relieved of any liability or other obligations assumed or pursuant to the Contract by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.

City of Ankeny Insurance Requirements for Professional Services

Preservation of Governmental Immunities Endorsement

1. Nonwaiver of Governmental Immunity. The insurance carrier expressly agrees and states that the purchase of this policy and the including of the City of Ankeny, Iowa as an Additional Insured does not waive any of the defenses of governmental immunity available to the City of Ankeny, Iowa under Code of Iowa Section 670.4 as it now exists and as it may be amended from time to time.
2. Claims Coverage. The insurance carrier further agrees that this policy of insurance shall cover only those claims not subject to the defense of governmental immunity under the Code of Iowa Section 670.4 as it now exists and as it may be amended from time to time. Those claims not subject to Code of Iowa Section 670.4 shall be covered by the terms and conditions of this insurance policy.
3. Assertion of Governmental Immunity. The City of Ankeny, Iowa shall be responsible for asserting any defense of governmental immunity, and may do so at any time and shall do so upon the timely written request of the insurance carrier.
4. Non-Denial of Coverage. The insurance carrier shall not deny coverage under this policy and the insurance carrier shall not deny any of the rights and benefits accruing to the City of Ankeny, Iowa under this policy for reasons of governmental immunity unless and until a court of competent jurisdiction has ruled in favor of the defense(s) of governmental immunity asserted by the City of Ankeny, Iowa.

No Other Change in Policy. The above preservation of governmental immunities shall not otherwise change or alter the coverage available under this policy.
