All purchase orders should note the following:

National Joint Powers Alliance-NJPA purchase – Contract Number: 082114-MSL

Delivery Timing

4 - 6 weeks for delivery of materials to the job site from the time of order, submittal approval, and confirmation of order details including voltage, phase, and pole locations.

Due to the built-in custom light control per luminaire, pole locations need to be confirmed prior to production. Changes to pole locations after the product is sent to production could result in additional charges.

Notes

Quote is based on:

- Shipment of entire project together to one location
- Structural code and wind speed = 2015 IBC, 115 MPH, Importance Factor 1.0
- Owner is responsible for getting electrical power to the site, coordination with the utility, and any power company fees
- Standard soil conditions – rock, bottomless, wet or unsuitable soil may require additional engineering, special installation methods and additional cost
- Confirmation of pole locations prior to production

Thank you for considering Musco for your lighting needs. Please contact me with any questions or if you need additional details.
