Subject: Greenland Homes 2018 Children's Cancer Connection Home

Good Afternoon!

On behalf of Greenland Homes and its owner Corey Kautz, we are requesting your support with our 2018 Children's Cancer Connection (CCC) home being built in Ankeny.

Greenland Homes is building our fifth speculative charity home, and donating all proceeds from the sale to Children's Cancer Connection, an organization offering programs for children, and the families of children, affected by cancer. Attached is a letter explaining more about Children's Cancer Connection and it's programs.

As has been the case for our previous CCC homes, the host cities have donated the building permit fee. In an effort to maximize the proceeds CCC will receive, Greenland Homes is asking the City of Ankeny to do the same. Each donation makes a big difference!

We thank you for your consideration, and look forward to working with you to help make this goal a reality!

Sincerely,

Katie George, Administrative Assistant

On behalf of Corey Kautz, President
