NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF ANKENY, STATE OF IOWA:

Section 1. That the findings and conclusions set forth or contained in the proposed "Amended and Restated 1991 City of Ankeny Urban Renewal Plan" for the area of the City of Ankeny, State of Iowa, legally described and depicted in the Original Plan and incorporated herein by reference, be and the same are hereby adopted and approved as the findings of this Council for this area.

Section 2. This Council further finds:

a) Although relocation is not expected, a feasible method exists for the relocation of any families who will be displaced from the Urban Renewal Area into decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;

b) The Amended and Restated Plan conforms to the general plan for the development of the City as a whole; and

c) Acquisition by the City is not immediately expected, however, as to any areas of open land to be acquired by the City included within the Urban Renewal Area:

i. Residential use is not expected, however, with reference to any portions thereof which are to be developed for residential uses, this City Council hereby determines that a shortage of housing of sound standards and design with decency, safety and sanitation exists within the City; that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality; and that one or more of the following conditions exist:

a. That the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, including other portions of the urban renewal area.

b. That conditions of blight in the municipality and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, so as to constitute a menace to the public health, safety, morals, or welfare.

c. That the provision of public improvements related to housing and residential development will encourage housing and residential development which is necessary to encourage the retention or relocation of industrial and commercial enterprises in this state and its municipalities.

d. The acquisition of the area is necessary to provide for the construction of housing for low and moderate income families.

ii. Non-residential use is expected and with reference to those portions thereof which are to be developed for non-residential uses, such non-residential uses are necessary and appropriate to facilitate the proper growth and development of the City in accordance with sound planning standards and local community objectives.

Section 3. That the Urban Renewal Area continues to be an economic development area within the meaning of Iowa Code Chapter 403; that such area is eligible for designation as an urban renewal area and otherwise meets all requisites under the provisions of Chapter 403 of the Code of Iowa; and that the rehabilitation, conservation, redevelopment, development, or a combination thereof, of such area is necessary in the interest of the public health, safety or welfare of the residents of this City.

Section 4. That the Amended and Restated 1991 City of Ankeny Urban Renewal Plan, attached hereto as Exhibit 1 and incorporated herein by reference, be and the same is hereby approved and adopted as the "Amended and Restated 1991 City of Ankeny Urban Renewal Plan for the 1991 Urban Renewal Area"; the Amended and Restated 1991 City of Ankeny Urban Renewal Plan for such area is hereby in all respects approved; and the City Clerk is hereby directed to file a certified copy of the Amended and Restated 1991 City of Ankeny Urban Renewal Plan with the proceedings of this meeting.

Section 5. That, notwithstanding any resolution, ordinance, plan, amendment or any other document, the Amended and Restated 1991 City of Ankeny Urban Renewal Plan shall be in full force and effect from the date of this Resolution until the Council amends or repeals the Amended and Restated Plan. Said Amended and Restated 1991 City of Ankeny Urban Renewal Plan shall be forthwith certified by the City Clerk, along with a copy of this Resolution, to the Recorder for Polk County, Iowa, to be filed and recorded in the manner provided by law.

Section 6. That all other provisions of the Plan, as previously amended, not affected or otherwise revised by the terms of the Amended and Restated Plan, as well as all resolutions previously adopted by this City Council related to the Plan be and the same are hereby ratified, confirmed and approved in all respects.
