A copy of the Amendment is on file for public inspection in the office of the City Clerk, City Hall, City of Ankeny, Iowa.

The City of Ankeny, State of Iowa is the local public agency which, if such Amendment is approved, shall undertake the urban renewal activities described in such Amendment.

The general scope of the urban renewal activities under consideration in the Amendment is to promote the growth and retention of qualified industries and businesses in the Urban Renewal Area through various public purpose and special financing activities outlined in the Amendment, and to rehabilitate, conserve and redevelop land, buildings and other improvements within such area through the elimination and containment of conditions of blight so as to improve the community through the establishment of effective land use controls, through use of an effective program of rehabilitation of existing buildings and elimination of those structures which cannot be economically rehabilitated, with a limited amount of acquisition, clearance, resale and improvement of land for various purposes specified in the Amendment. To accomplish the objectives of the Amendment, and to encourage the further economic development of the Urban Renewal Area, the Amendment provides that such special financing activities may include, but not be limited to, the making of loans or grants of public funds to private entities under Chapter 15A of the Code of Iowa. The City also may reimburse or directly undertake the installation, construction and reconstruction of substantial public improvements, including, but not limited to, street, water, sanitary sewer, storm sewer or other public improvements. The Amendment provides that the City may issue bonds or use available funds for purposes allowed by the Plan, as amended, and that tax increment reimbursement of the costs of urban renewal projects may be sought if and to the extent incurred by the City. The Amendment initially proposes no specific public infrastructure or site improvements to be undertaken by the City, and provides that the Amendment may be amended from time to time.

The proposed Amendment No. 9 would add property to the Urban Renewal Area. Other provisions of the Plan not affected by the Amendment would remain in full force and effect.

Any person or organization desiring to be heard shall be afforded an opportunity to be heard at such hearing.
