2. **PH 2019-30:** A proposed amendment to the Zoning Regulations, Chapter 192, of the Municipal Code of the City of Ankeny, Iowa, by rezoning certain real estate owned by Rose Marie Reinhart from R-1 to R-3 with restrictions.

Mayor Lorenz opened the public hearing. Notice of this hearing was published in the Des Moines Register on the 5th day of April, 2019 and notices were mailed to affected property owners as required by law.

Eric Jensen, Director of Planning & Building, reported Rose Marie Reinhart and Diamond Development, LLC is requesting to rezone property from the current R-1, One-Family Residence District, to R-3, Multiple-Family Residence District with restrictions.

The request is for approximately 45.6 acres total, broken into three separate areas, Area A-1, Area A-2, and Area B. The subject property is located on the southeast corner of NW State Street and NW 36th Street.

Rezoning Area A-1 contains 17.82 acres and is proposed to be rezoned to R-3, Multiple-Family Residence District, restricted to one-family residential dwellings. Rezoning Area A-2, located just north of Rezoning Area A-1, contains 9.43 acres and is proposed to be rezoned to R-3, Multiple-Family Residence District, restricted to one-family and two-family residential dwellings.

North of Rezoning Area A-2 lies Rezoning Area B. Rezoning Area B contains approximately 18.42 acres. Rezoning Area B is proposed to be rezoned to R-3, Multiple-Family Residence District, restricted to ten units an acre and no apartment buildings.

Council McKenna inquired about the Concept Plan process.

Eric Jensen, Planning & Building Director, stated residents can be assured of the uses that are allowed in a zoning district.

Erin Ollendike, Civil Design Advantage, 3405 SE Crossroads Drive Ste G, Grimes, Iowa, representing the Developer, Diamond Development, LLC, addressed the Council stating the Conceptual Plan shown by Eric Jensen, Planning & Building Director, is the same Conceptual Plan that was sent to the residents back in December 2018 – nothing has changed.

The following individuals spoke in opposition to the rezoning: Daniel Manning, Jr., Lillis, O'Malley Law Firm, 317 Sixth Avenue, Suite 300, Des Moines, IA representing several land owners in the area; Tom Dilts, 2602 NW Reinhart Dr.; Rich Hoffmann, 1412 NW 26th St.; Amy A'Hearn, 3208 NW Northpark Dr.; Lisa Schoening, 1404 NW 26th, Ben Snyder, 3212 NW Northpark Dr.; Cory Schoening, 1404 NW 26th; Travis Segar, 3220 NW Northpark; and John Tesdall, 1604 NW 30th for reasons of zoning consistency, buffering, drainage and traffic concerns.

Action# C2-1. Consider motion to receive and file correspondence dated March 9, 2019 received from: Tracy Gugger, 1610 NW 31st Street, Michael & Ashley Behm, 3008 NW Northpark Street, Minh and Trinh Huynh, 1312 NW 26th Street, Chad & Angela Armour, 1019 NW 32nd Street, John & Nicole Meyer, 1020 NW 32nd Street,

Heather & Daniel Stoll, 3012 NW Northpark Street, and Kevin & Annette Bailey, 2910 NW Northpark Street, regarding the rezoning of property owned by Rose Marie Reinhart.

Councilor Whiting inquired as to whether City Attorney Brick would comment on Mr. Manning's intention that the Council could put conditions on zoning other than the restriction to single family housing.

City Attorney Matt Brick stated he would first like to say he believes the intention of Mr. Manning is to have restrictions on the development and with whatever process is appropriate. However, it is not appropriate at this time and secondly receipt of a written protest was provided this evening by Mr. Manning on behalf of his clients. The written protest states there were 23 letters submitted as a part of the petition when there were 27 letters attached from various homeowners. Because this written protest has just been received there has been no time for review of same to make sure it complies with the City Code and so therefore it is likely a recommendation will be forthcoming to table action on the Ordinances until such time as the written protest can be reviewed and the appropriate action taken.

Councilor Holm stated before us tonight is a rezoning, however, recorded are all of the concerns that have been addressed this evening and council will be paying close attention to those concerns at the time of site plan approval.

Action# C2-2. Holm made the motion to close Public Hearing 2019-30, seconded by Bentz.
