PROGRESS REPORT NO. 15
S&A PROJECT NO. 116.0947.01A

Dear Mr. Moritz:

This is fifteenth progress report for the above referenced project and covers work through April 18, 2019. Work through this period includes construction administration including work on RISE Reimbursement.

Concrete Technologies, Inc. has completed construction activities and final site stabilization. Verification of punch list items is being completed this week.

The project construction services costs included on this invoice of \$3,726.08, are 78% eligible /22% ineligible for RISE reimbursement at a rate of 50%. A total of \$1,453.17 would be reimbursed through the RISE Grant, and the remaining sum of \$2,272.91 is to be funded by the PCAA. These sums do not reflect RISE Grant retention sums held by the IDOT until project completion.

We look forward to continuing working for the City and you on this important project. Should you have any questions on this update, please feel free to contact me. We will be in attendance at the May 6, 2019, council meeting to answer any questions regarding this invoice.

Sincerely,
