				* An LFI installer will meet the delivery truck, off-load, unpack, place items and inspect your order for damage. If there is damage or missing items, LFI will handle the claim and coordination with factory. * By NOT contracting LFI for installation, then the client is responsible for handling all issues mentioned above. LFI will provide the name and tracking number of the freight carrier, however, the client is responsible for making freight claims. * Factories and freight carriers will require digital photography of any damage related issues.
