RE: ASH TOWER FEEDER MAIN
PROGRESS REPORT NO. 20
S&A PROJECT NO. 117.0645.01

Mr. Clark:

This is the twentieth progress report for the above referenced project and covers work through September 19, 2019. Work on the project consisted of construction observation for the final close-out and punch list items.

To date all of the punch list items have been completed save for the final surface restoration work on the Rod Knox property. The agreed to work at that location is nearing completion but has not been finally approved by the property owner.

Should you have any questions on this update, please feel free to contact me. We will be in attendance at the October 7, 2019, council meeting to answer any questions regarding this invoice.

Sincerely,

SNYDER & ASSOCIATES, INC.
