Honorable Mayor, City Council and Planning & Zoning Commission;

On behalf of Diamond Development LLC, we submit herewith the following final plat and construction drawings for review and approval. The project area contains 13.90 acres located east of the intersection of NW State Street and NW 31st Street. The final plat includes the development of 47 single family residential lots adhering to the R-3 Multiple Family Residential District zoning. We are requesting that preliminary approval of the final plat be granted by City Council. We will bring the final plat with bonds back before the City Council for approval once construction is complete.

Please accept this submittal for the next available Planning & Zoning and City Council meetings. Let me know if you have any questions or require any further information. Thanks.

Sincerely,
