

COMMUNITY TREESCAPE

The Ankeny Art Center is commissioning Ogden Artists Pam Dennis and Ryk Weiss to create a permanent sculpture to celebrate 40 years of art in our community.

We are creating a woven metal tree sculpture that will include 300 red clay leaves. Our resident artists will work with community members to create oak leaves with distinctly stamped textures, making a unique community tree for Ankeny to enjoy!

The final unveiling of the sculpture will take place October 2021.

Join us in a workshop and put your stamp on our Ankeny tree!
