  17. Nothing in this Agreement shall be construed as prohibiting the party with maintenance responsibility from hiring a third party to perform any work associated with this Agreement. In such instances the party with maintenance responsibility shall obtain a written hold harmless agreement from the third party, for the benefit of both parties to this Agreement, covering the work performed by the third party. The hold harmless agreement shall also require the third party to carry adequate insurance to fulfill its obligations to hold harmless the parties and to provide proof of insurance.
