a) Registration. The ownership of Notes may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Notes, and in no other way. The Treasurer is hereby appointed as Note Registrar under the terms of this Resolution. Registrar shall maintain the books of the Issuer for the registration of ownership of the Notes for the payment of principal of and interest on the Notes as provided in this Resolution. All Notes shall be negotiable as provided in Article 8 of the Uniform Commercial Code, subject to the provisions for registration and transfer contained in the Notes and in this Resolution.

b) Transfer. The ownership of any Note may be transferred only upon the Registration Books kept for the registration and transfer of Notes and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). In the event that the address of the registered owner of a Note (other than a registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the Registration Books the information pertaining to the registered owner required above. Upon the transfer of any such Note, a new fully registered Note, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Note, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

the Issuer; provided that if the Issuer shall so direct, the Registrar shall forward the cancelled Notes to the Issuer.

f) Non-Presentment of Notes. In the event any payment check, wire, or electronic transfer of funds representing payment of principal of or interest on the Notes is returned to the Paying Agent or if any note is not presented for payment of principal at the maturity or redemption date, if funds sufficient to pay such principal of or interest on Notes shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or payment of such Notes shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Notes who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Notes. The Paying Agent's obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent shall surrender any remaining funds so held to the Issuer, whereupon any claim under this Resolution by the Owners of such interest or Notes of whatever nature shall be made upon the Issuer.

Section 9. Reissuance of Mutilated, Destroyed, Stolen or Lost Notes. In case any outstanding Note shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Note of like tenor and amount as the Note so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note to Registrar, upon surrender of such mutilated Note, or in lieu of and substitution for the Note destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Note has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with such other reasonable regulations as the Issuer or its agent may prescribe and paying such expenses as the Issuer may incur in connection therewith.

Section 10. Record Date. Payments of principal and interest, otherwise than upon full redemption, made in respect of any Note, shall be made to the registered holder thereof or to their designated Agent as the same appear on the books of the Registrar on the 15th day of the month preceding the payment date. All such payments shall fully discharge the obligations of the Issuer in respect of such Notes to the extent of the payments so made.

Section 11. Execution, Authentication and Delivery of the Notes. Upon the adoption of this Resolution, the Mayor and Clerk shall execute and deliver the Notes to the Registrar, who shall authenticate the Notes and deliver the same to or upon order of the Original Purchaser. No Note shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Registrar shall duly endorse and execute on such Note a Certificate of Authentication substantially in the form of the Certificate herein set forth. Such Certificate upon any Note executed on behalf of the Issuer shall be conclusive evidence that the Note so authenticated has been duly issued under this Resolution and that the holder thereof is entitled to the benefits of this Resolution.

(End of form of Note)

Section 14. Equality of Lien. The timely payment of principal of and interest on the Notes and Parity Obligations shall be secured equally and ratably by the Net Revenues of the System without priority by reason of number or time of sale or delivery; and the Net Revenues of the System are hereby irrevocably pledged to the timely payment of both principal and interest as the same become due.

Section 15. Application of Note Proceeds – Project Fund. Proceeds of the Notes shall be credited to the Project Fund and expended therefrom for the purposes of issuance.

Any amounts on hand in the Project Fund shall be available for the payment of the principal of or interest on the Notes at any time that other funds of the System shall be insufficient to the purpose, in which event such funds shall be repaid to the Project Fund at the earliest opportunity. Any balance on hand in the Project Fund and not immediately required for its purposes may be invested not inconsistent with limitations provided by law, the Internal Revenue Code and this Resolution.

Section 16. User Rates. There has heretofore been established and published as required by law, just and equitable rates or charges for the use of the service rendered by the System. The rates or charges shall be paid by the owner of each and every lot, parcel of real estate, or building that is connected with and uses the System, by or through any part of the System or that in any way uses or is served by the System. So long as the Bonds are outstanding and unpaid the rates or charges to consumers of services of the System shall be sufficient in each year for the payment of the proper and reasonable expenses of operation and maintenance of the System and for the payment of principal and interest on the Bonds and Parity Obligations and obligations as the same fall due, and to provide for the creation of reserves as hereinafter provided.

Any revenues paid and collected for the use of the System and its services by the Issuer or any department, agency or instrumentality of the Issuer shall be used and accounted for in the same manner as any other revenues derived from the operations of the System.

Section 17. Application of Revenues. From and after the delivery of any Notes, and as long as any of the Notes or Parity Obligations shall be outstanding and unpaid either as to principal or as to interest, or until all of the Notes and Parity Obligations then outstanding shall have been discharged and satisfied in the manner provided in this Resolution, the entire income

and revenues of the System shall be deposited as collected in a fund to be known as the Water Revenue Fund (the "Revenue Fund"), and shall be disbursed only as follows:

The provisions in the Prior Bond Resolutions, whereby there was created and is to be maintained a Water Revenue Note Principal and Interest Sinking Fund, and for the monthly payment into said fund from the future Net Revenues of the System such portion thereof as will be sufficient to meet the principal and interest of the Outstanding Obligations, are hereby ratified and confirmed, and all such provisions inure to and constitute the security for the payment of the principal and interest on Notes hereby authorized to be issued; provided, however, that the amounts to be set aside and paid into the Water Revenue Note Principal and Interest Sinking Fund in equal monthly installments from the earnings shall be sufficient to pay the principal and interest due each year, not only on the Outstanding Obligations, but also the principal and interest of the Notes herein authorized to be issued and to maintain a reserve therefor, as required. Except as may be otherwise provided in the Prior Note Resolution, proceeds of the Notes or other funds may be invested in Permitted Investments.

Nothing in this Resolution shall be construed to impair the rights vested in the Outstanding Obligations. The amounts herein required to be paid into the various funds named in this Section shall be inclusive of payments required in respect to the Outstanding Obligations. The provisions of the legislation authorizing the Outstanding Obligations and the provisions of this Resolution are to be construed wherever possible so that the same will not be in conflict. In the event such construction is not possible, the provisions of the resolution first adopted shall prevail until such time as the notes or bonds authorized by said resolution have been paid in full or otherwise satisfied as therein provided at which time the provisions of this Resolution shall again prevail.

So long as the Notes or Parity Obligations remain outstanding and unpaid the same are discharged and satisfied in the manner provided in this Resolution, the entire income and revenues of the system shall be deposited and collected in a fund to be known as the Revenue Fund, and shall be disbursed only as follows:

a) Operation and Maintenance Fund. Money in the Revenue Fund shall first be disbursed to make deposits into a separate and special fund to pay current expenses. The fund shall be known as the Water Utility Operation and Maintenance Fund (the "Operation and Maintenance Fund"). There shall be deposited in the Operation and Maintenance Fund each month an amount sufficient to meet the current expenses of the month plus an amount equal to 1/12th of expenses payable on an annual basis such as insurance. After the first day of the month, further deposits may be made to this account from the Revenue Fund to the extent necessary to pay current expenses accrued and payable to the extent that funds are not available in the Surplus Fund.

b) Sinking Fund. Money in the Revenue Fund shall next be disbursed to make deposits into a separate and special fund to pay principal of and interest on the Notes and Parity Obligations. The fund shall be known as the Water Revenue Note Principal and Interest Sinking Fund (the "Sinking Fund"). The required amount to be deposited in the Sinking Fund in any month shall be an amount equal to 1/6th of the installment of interest coming due on the next interest payment date on the then outstanding Notes and Parity

Obligations plus 1/12th of the installment of principal coming due on such Notes and Parity Obligations on the next succeeding principal payment date until the full amount of such installment is on hand. If for any reason the amount on hand in the Sinking Fund exceeds the required amount, the excess shall forthwith be withdrawn and paid into the Revenue Fund. Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Notes and Parity Obligations as the same shall become due and payable.

c) Reserve Fund. Money in the Revenue Fund shall next be disbursed to maintain a debt service reserve in an amount equal to the Reserve Fund Requirement. Such fund shall be known as the Water Revenue Debt Service Reserve Fund (the "Reserve Fund"). In each month there shall be deposited in the Reserve Fund an amount equal to 25 percent of the amount required by this Resolution to be deposited in such month in the Sinking Fund; provided, however, that when the amount on deposit in the Reserve Fund shall be not less than the Reserve Fund Requirement, no further deposits shall be made into the Reserve Fund except to maintain such level, and when the amount on deposit in the Reserve Fund is greater than the balance required above, such additional amounts shall be withdrawn and paid into the Revenue Fund. Money in the Reserve Fund shall be used solely for the purpose of paying principal at maturity of or interest on the Notes and Parity Obligations for the payment of which insufficient money shall be available in the Sinking Fund. Whenever it shall become necessary to so use money in the Reserve Fund, the payments required above shall be continued or resumed until it shall have been restored to the required minimum amount. At Closing, the City shall deposit into the Reserve Fund an amount sufficient to satisfy the Reserve Fund Requirement, from cash on hand.

d) Subordinate Obligations. Money in the Revenue Fund may next be used to pay principal of and interest on (including reasonable reserves therefor) any other obligations which by their terms shall be payable from the revenues of the System, but subordinate to the Notes and Parity Obligations, and which have been issued for the purposes of extensions and improvements to the System or to retire the Notes or Parity Obligations in advance of maturity, or to pay for extraordinary repairs or replacements to the System.

e) Surplus Revenue. All money thereafter remaining in the Revenue Fund at the close of each month may be deposited in any of the funds created by this Resolution, to pay for extraordinary repairs or replacements to the System, or may be used to pay or redeem the Notes or Parity Obligations or any of them, or for any lawful purpose.

Money in the Revenue Fund shall be allotted and paid into the various funds and accounts hereinbefore referred to in the order in which the funds are listed, on a cumulative basis on the 10th day of each month, or on the next succeeding business day when the 10th shall not be a business day; and if in any month the money in the Revenue Fund shall be insufficient to deposit or transfer the required amount in any of the funds or accounts, the deficiency shall be made up in the following month or months after payments into all funds and accounts enjoying a prior claim to the revenues shall have been met in full.

Section 18. Investments. Moneys on hand in the project fund and all of the funds provided by this Resolution may be invested only in Permitted Investments or deposited in financial institutions which are members of the Federal Deposit Insurance Corporation or its equivalent successor, and the deposits of which are insured thereby and all such deposits exceeding the maximum amount insured from time to time by FDIC or its equivalent successor in any one financial institution shall be continuously secured in compliance with Iowa Code Chapter 12C, or otherwise by a valid pledge of direct obligations of the United States Government having an equivalent market value. All investments shall mature before the date on which the moneys are required for the purposes for which the fund was created or otherwise as herein provided. The provisions of this Section shall not be construed to require the Issuer to maintain separate accounts for the funds created by this Section.

The Sinking Fund and Reserve Fund shall be segregated in separate accounts but may be invested in the same manner as other funds of the Issuer but designated as a trust fund on the books and records of the Issuer. The Sinking Fund and Reserve Fund shall not be available for any other purposes other than those specified in this Resolution.

All income derived from such investments shall be deposited in the Revenue Fund and shall be regarded as revenues of the System. Investments shall at any time necessary be liquidated and the proceeds thereof applied to the purpose for which the respective fund was created.

Section 19. Covenants Regarding the Operation of the System. The Issuer hereby covenants and agrees with each and every holder of the Notes and Parity Obligations:

a) Maintenance and Efficiency. The Issuer will maintain the System in good condition and operate it in an efficient manner and at reasonable cost.

b) Sufficiency of Rates. On or before the beginning of each Fiscal Year the Governing Body will adopt or continue in effect rates for all services rendered by the System determined to be sufficient to produce Net Revenues for the next succeeding Fiscal Year which are (i) adequate to pay the principal and interest requirements thereof and to create or maintain the reserves as provided in this Resolution, and (ii) not less than 110 percent of the principal and interest requirements of the next succeeding Fiscal Year. No free use of the System by the Issuer or any department, agency or instrumentality of the Issuer shall be permitted except upon the determination of the Governing Body that the rates and changes otherwise in effect are sufficient to provide Net Revenues at least equal to the requirements of this subsection.

c) Insurance. The Issuer shall maintain insurance for the benefit of the Noteholders on the insurable portions of the System of a kind and in an amount which normally would be carried by private companies engaged in a similar kind of business. The proceeds of any insurance, except public liability insurance, shall be used to repair or replace the part or parts of the System damaged or destroyed, or if not so used shall be placed in an improvement fund for the benefit of the System.

d) Accounting and Audits. The Issuer will cause to be kept proper books and accounts adapted to the System and in accordance with generally accepted accounting practices, and will diligently act to cause the books and accounts to be audited and reported upon, by an Independent Auditor and will provide copies of the audit report to the Department, all as provided in the Agreement. The Original Purchaser and holders of any of the Notes and Parity Obligations shall have at all reasonable times the right to inspect the System and the records, accounts and data of the Issuer relating thereto.

e) State Laws. The Issuer will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Iowa, including the making and collecting of reasonable and sufficient rates for services rendered by the System as above provided, and will segregate the revenues of the System and apply the revenues to the funds specified in this Resolution.

f) Property. The Issuer will not sell, lease, mortgage or in any manner dispose of the System, or any capital part thereof, including any and all extensions and additions that may be made thereto, until satisfaction and discharge of all of the Notes and Parity Obligations shall have been provided for in the manner provided in this Resolution; provided, however, this covenant shall not be construed to prevent the disposal by the Issuer of property which in the judgment of its Governing Body has become inexpedient or unprofitable to use in connection with the System, or if it is to the advantage of the System that other property of equal or higher value be substituted therefor, and provided further that the proceeds of the disposition of such property shall be placed in a revolving fund to be used in preference to other sources for capital improvements to the System. Any such proceeds of the disposition of property acquired with the proceeds of the Notes or Parity Obligations shall not be used to pay principal or interest on the Notes and Parity Obligations or for payments into the Sinking Fund.

g) Fidelity Bond. The Issuer shall maintain fidelity bond coverage in amounts which normally would be carried by private companies engaged in a similar kind of business on each officer or employee having custody of funds of the System.

h) Additional Charges. The Issuer will require proper connecting charges and/or other security for the payment of service charges.

i) Budget. The Governing Body of the Issuer shall approve and conduct operations pursuant to a system budget of revenues and current expenses for each Fiscal Year. Such budget shall take into account revenues and current expenses during the current and last preceding Fiscal Years. Copies of such budget and any amendments thereto shall be mailed to the Original Purchaser and to the Noteholder upon request.

Section 20. Remedies of Noteholders. Except as herein expressly limited the holder or holders of the Notes and Parity Obligations shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Iowa, and of the United States of America, for the enforcement of payment of their Notes and interest thereon, and of the pledge of the revenues made hereunder, and of all covenants of the Issuer hereunder.

Section 21. Prior Lien and Parity Obligations. The Issuer will issue no other notes, bonds or obligations of any kind or nature payable from or enjoying a lien or claim on the property or revenues of the System having priority over the Notes or Parity Obligations.

Additional Bonds may be issued on a parity and equality of rank with the Notes with respect to the lien and claim of such Additional Bonds to the Net Revenues of the System and the money on deposit in the funds adopted by this Resolution, for the following purposes and under the following conditions, but not otherwise:

a) For the purpose of refunding any of the Notes or Parity Obligations which shall have matured or which shall mature not later than three months after the date of delivery of such refunding obligation and for the payment of which there shall be insufficient money in the Sinking Fund and the Reserve Fund;

b) For the purpose of making extensions, additions, improvements or replacements to the System, or refunding any Outstanding Obligations, Parity Obligations or Additional Bonds issued for such extensions, additions and improvements, if all of the following conditions shall have been met:

(i) before any such Additional Bonds ranking on a parity are issued, there will have been procured and filed with the Clerk, a statement of an Independent Auditor or independent financial advisor, not a regular employee of the Issuer, reciting the opinion based upon necessary investigations that the Net Revenues of the System for the preceding Fiscal Year (with adjustments as hereinafter provided) were equal to at least 1.10 times the maximum amount that will be required in any Fiscal Year prior to the longest maturity of any of the then outstanding Notes or Parity Obligations for both principal of and interest on all Notes or Parity Obligations then outstanding which are payable from the Net Revenues of the System and the Additional Bonds then proposed to be issued.

For the purpose of determining the Net Revenues of the System for the preceding Fiscal Year as aforesaid, the amount of the gross revenues for such year may be adjusted by an independent consulting engineer, the Independent Auditor or the independent financial advisor, so as to reflect any changes in the amount of such revenues which would have resulted had any revision of the schedule of rates or charges imposed at or prior to the time of the issuance of any such Additional Bonds been in effect during all of such preceding Fiscal Year.

(ii) the Additional Bonds must be payable as to principal and as to interest on the same month and day as the Notes herein authorized.

(iii) for the purposes of this Section, principal and interest falling due on the first day of a Fiscal Year shall be deemed a requirement of the immediately preceding Fiscal Year.

(iv) for the purposes of this Section, general obligation bonds or notes shall be refunded only upon a finding of necessity by the Governing Body and

only to the extent the general obligation bonds or notes were issued or the proceeds thereof were expended for the System.

(v) for purposes of this Section, "preceding Fiscal Year" shall be the most recently completed Fiscal Year for which audited financial statements prepared by a certified public accountant are issued and available, but in no event a Fiscal Year which ended more than eighteen months prior to the date of issuance of the Additional Bonds.

Section 22. Disposition of Proceeds; Arbitrage Not Permitted. The Issuer reasonably expects and covenants that no use will be made of the proceeds from the issuance and sale of the Notes issued hereunder which will cause any of the Notes to be classified as arbitrage bonds within the meaning of Section 148(a) and (b) of the Internal Revenue Code of the United States, and that throughout the term of said Notes it will comply with the requirements of said statute and regulations issued thereunder.

To the best knowledge and belief of the Issuer, there are no facts or circumstances that would materially change the foregoing statements or the conclusion that it is not expected that the proceeds of the Notes will be used in a manner that would cause the Notes to be arbitrage bonds. Without limiting the generality of the foregoing, the Issuer hereby agrees to comply with the provisions of the Tax Exemption Certificate and the provisions of the Tax Exemption Certificate are hereby approved, and incorporated herein by reference as part of this Resolution. The Treasurer is hereby directed to make and insert all calculations and determinations necessary to complete the Tax Exemption Certificate in all respects and to execute and deliver the Tax Exemption Certificate at issuance of the Notes to certify as to the reasonable expectations and covenants of the Issuer at that date.

The Issuer covenants that it will treat as Yield Restricted any proceeds of the Notes remaining unexpended after three years from the issuance and any other funds required by the Tax Exemption Certificate to be so treated. If any investments are held with respect to the Notes and Parity Obligations, the Issuer shall treat the same for the purpose of restricted yield as held in proportion to the original principal amounts of each issue.

The Issuer covenants that it will exceed any investment yield restriction provided in this Resolution only in the event that it shall first obtain an opinion of recognized bond counsel that the proposed investment action will not cause the Notes to be classified as arbitrage bonds under Section 148(a) and (b) the Internal Revenue Code or regulations issued thereunder.

The Issuer covenants that it will proceed with due diligence to spend the proceeds of the Notes for the purpose set forth in this Resolution. The Issuer further covenants that it will make no change in the use of the proceeds available for the construction of facilities or change in the use of any portion of the facilities constructed therefrom by persons other than the Issuer or the general public unless it has obtained an opinion of bond counsel or a revenue ruling that the proposed project or use will not be of such character as to cause interest on any of the Notes not to be exempt from federal income taxes in the hands of holders other than substantial users of the project, under the provisions of Section 142(a) of the Internal Revenue Code of the United States, related statutes and regulations.

Section 23. Additional Covenants, Representations and Warranties of the Issuer. The Issuer certifies and covenants with the purchasers and holders of the Notes from time to time outstanding that the Issuer through its officers, (a) will make such further specific covenants, representations and assurances as may be necessary or advisable; (b) comply with all representations, covenants and assurances contained in the Tax Exemption Certificate, which Tax Exemption Certificate shall constitute a part of the contract between the Issuer and the owners of the Notes; (c) consult with bond counsel (as defined in the Tax Exemption Certificate); (d) pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Notes; (e) file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Issuer in such compliance.

Section 24. Amendment of Resolution to Maintain Tax Exemption. This Resolution may be amended without the consent of any owner of the Notes if, in the opinion of bond counsel, such amendment is necessary to maintain tax exemption with respect to the Notes under applicable Federal law or regulations.

Section 25. Discharge and Satisfaction of Notes. The covenants, liens and pledges entered into, created or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to the Notes and Parity Obligations, or any of them, in any one or more of the following ways:

(a) By paying the Notes or Parity Obligations when the same shall become due and payable; and

(b) By depositing in trust with the City Treasurer, or with a corporate trustee designated by the Governing Body, for the payment of said obligations and irrevocably appropriated exclusively to that purpose an amount in cash or direct obligations of the United States the maturities and income of which shall be sufficient to retire at maturity, or by redemption prior to maturity on a designated date upon which said obligations may be redeemed, all of such obligations outstanding at the time, together with the interest thereon to maturity or to the designated redemption date, premiums thereon, if any that may be payable on the redemption of the same; provided that proper notice of redemption of all such obligations to be redeemed shall have been previously published or provisions shall have been made for such publication.

Upon such payment or deposit of money or securities, or both, in the amount and manner provided by this Section, all liability of the Issuer with respect to the Notes or Obligations shall cease, determine and be completely discharged, and the holders thereof shall be entitled only to payment out of the money or securities so deposited.

Section 26. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Issuer and the holder or holders of the Notes and Parity Obligations, and after the issuance of any of the Notes no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner, except as provided in the next

succeeding Section, until such time as all of the Notes and Parity Obligations, and interest due thereon, shall have been satisfied and discharged as provided in this Resolution.

Section 27. Amendment of Resolution Without Consent. The Issuer may, without the consent of or notice to any of the holders of the Notes and Parity Obligations, amend or supplement this Resolution for any one or more of the following purposes:

- (a) to cure any ambiguity, defect, omission or inconsistent provision in this Resolution or in the Notes or Parity Obligations; or to comply with any applicable provision of law or regulation of federal or state agencies; provided, however, that such action shall not materially adversely affect the interests of the holders of the Notes or Parity Obligations;
- (b) to change the terms or provisions of this Resolution to the extent necessary to prevent the interest on the Notes or Parity Obligations from being includable within the gross income of the holders thereof for federal income tax purposes;
- (c) to grant to or confer upon the holders of the Notes or Parity Obligations any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the holders of the Notes;
- (d) to add to the covenants and agreements of the Issuer contained in this Resolution other covenants and agreements of, or conditions or restrictions upon, the Issuer or to surrender or eliminate any right or power reserved to or conferred upon the Issuer in this Resolution; or
- (e) to subject to the lien and pledge of this Resolution additional pledged revenues as may be permitted by law.

Section 28. Amendment of Resolution Requiring Consent. This Resolution may be amended from time to time if such amendment shall have been consented to by holders of not less than two-thirds in principal amount of the Notes and Parity Obligations at any time outstanding (not including in any case any Notes which may then be held or owned by or for the account of the Issuer, but including such Refunding Obligations as may have been issued for the purpose of refunding any of such Notes if such Refunding Obligations shall not then be owned by the Issuer); but this Resolution may not be so amended in such manner as to:

- (a) Make any change in the maturity or interest rate of the Notes, or modify the terms of payment of principal of or interest on the Notes or any of them or impose any conditions with respect to such payment;
- (b) Materially affect the rights of the holders of less than all of the Notes and Parity Obligations then outstanding; and
- (c) Reduce the percentage of the principal amount of Notes, the consent of the holders of which is required to effect a further amendment.

Whenever the Issuer shall propose to amend this Resolution under the provisions of this Section, it shall cause notice of the proposed amendment to be filed with the Original Purchaser and to be mailed by certified mail to each registered owner of any Note as shown by the records of the Registrar. Such notice shall set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory Resolution is on file in the office of the Clerk.

Whenever at any time within one year from the date of the mailing of said notice there shall be filed with the Clerk an instrument or instruments executed by the holders of at least two-thirds in aggregate principal amount of the Notes then outstanding as in this Section defined, which instrument or instruments shall refer to the proposed amendatory Resolution described in said notice and shall specifically consent to and approve the adoption thereof, thereupon, but not otherwise, the Governing Body of the Issuer may adopt such amendatory Resolution and such Resolution shall become effective and binding upon the holders of all of the Notes and Parity Obligations.

Any consent given by the holder of a Note pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the instrument evidencing such consent and shall be conclusive and binding upon all future holders of the same Note during such period. Such consent may be revoked at any time after six months from the date of such instrument by the holder who gave such consent or by a successor in title by filing notice of such revocation with the Clerk.

The fact and date of the execution of any instrument under the provisions of this Section may be proved by the certificate of any officer in any jurisdiction who by the laws thereof is authorized to take acknowledgments of deeds within such jurisdiction that the person signing such instrument acknowledged before him the execution thereof, or may be proved by an affidavit of a witness to such execution sworn to before such officer.

The amount and numbers of the Notes held by any person executing such instrument and the date of his holding the same may be proved by an affidavit by such person or by a certificate executed by an officer of a bank or trust company showing that on the date therein mentioned such person had on deposit with such bank or trust company the Notes described in such certificate.

Notwithstanding anything in this Section to the contrary, the holder or holders of 100% of the Notes and Parity Obligations may consent to any amendment of this Resolution, or waive any notices required hereunder, on such terms and under such conditions as said holders shall determine to be appropriate.

Section 29. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions.

Section 30. Repeal of Conflicting Ordinances or Resolutions and Effective Date. All other ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution are, to the extent of such conflict, hereby repealed; and this Resolution shall be in effect from and after its adoption.

Section 31. Rule of Construction. This Resolution and the terms and conditions of the Notes authorized hereby shall be construed whenever possible so as not to conflict with the terms and conditions of the Loan and Disbursement Agreement. In the event such construction is not possible, or in the event of any conflict or inconsistency between the terms hereof and those of the Loan and Disbursement Agreement, the terms of the Loan and Disbursement Agreement shall prevail and be given effect to the extent necessary to resolve any such conflict or inconsistency.
