To Whom It May Concern:

I am writing to formally request a special permit to bowhunt whitetail deer within Ankeny city limits for the hunting season beginning on October 1st, 2024 and ending on January 10th, 2025. I have received written permission from Robert Johnson (signed statement enclosed) to bowhunt on his land if I am granted permission by the city of Ankeny. The physical address of his property is 7705 NE 29th St; the District/Parcel is 181/00002-002-753 and the GeoParcel is 8023-32-101-006. The land is south of Oralabor Rd, just east of the Ankeny Airport. I would be the only person allowed to hunt this property, and my permission to hunt is granted through January of 2025. I understand that I am subject to all of the rules and regulations for bowhunting whitetail deer in the state of Iowa as set forth by the Iowa Department of Natural Resources. I have previously completed a hunter's safety course and have been bowhunting in Iowa for almost 30 years, including hunting this land with a special hunting permit for the last 10 years. I appreciate your consideration; please feel to contact me with any additional questions or requirements.

Sincerely,

Eric Weichers
