# Monthly Progress Report

Date: Friday, August 02, 2024

Project: Ankeny NW Irvinedale Elevated Storage Tank

To: Don Clark, P.E.

From: Rob Baker, P.E.

Subject: Monthly Progress Report for July 2024

#### **Activities of the Previous Month**

# Overall Design - 100% Completed

#### **Construction Administration**

- Reviewed tank pedestal/stem and paint submittals.
- Additional work related to additional roof couplings recommended by Dixon Engineering in RFI 3 will be included in the next change order, contractor pricing pending.
- Awaiting submittal of Pay Application 5. Payment application 4 has been submitted for City, requesting approval.
- Attended progress meeting via video conference and prepared meeting minutes.
- Davis-Bacon weekly payroll reviews

#### **Construction Observation**

 The contractor has been off-site for many days this month pending concrete tank pedestal construction (wall that supports the elevated tank). HDR's Resident Project Representative (RPR) has not been on site as a result.

#### Construction Survey (Nilles)

No new activity this month.

#### **Elevated Tank Inspection and Testing (Dixon)**

 Dixon (Tim Wilson) attended the progress meeting/call and is coordinating fabrication/shop painting shop visits for their inspector.

# Construction Materials Testing and Special Inspections (Terracon)

 Terracon provided construction materials testing but has not otherwise needed to be on site for sample collection.

## Planned Activities for the Next Month

#### Task 9 – Construction Administration

- 1 Preconstruction conference completed
- 2 Prepare conformed documents completed
- 3 Project Meetings site visits ongoing
- 4 Respond to RFIs ongoing

hdrinc.com

300 E Locust Street, Suite 210, Des Moines, IA 50309-1823 (515) 280-4940

- 5 Draft and coordinate change orders ongoing
- 6 Submittals (shop drawings) Review ongoing
- 7 Review pay applications and client invoicing ongoing
- 8 Disinfection testing/startup not started
- 9 Project Closeout not started
- 10 Prepare record drawings not started
- 11 Davis-Bacon & AIS compliance ongoing

#### Task 10 - Construction Observation

1 – Construction Observation – ongoing, part-time, or as-required by construction progress

## **General comments:**

 Terracon will be providing concrete testing for the tank pedestal concrete pours, starting in August 2023. HDR received Terracon's proposal for testing services associate with the tank pedestal. It includes 17 trips and associated concrete testing, and the approximate cost will be \$15,208. This amount was not included in HDR's construction phase amendment and will be reconciled with a second amendment towards the end of the project.
